Nizine has got 10 years of hands on experience in LED and Solar industry and had been into the research and development of aquaponic products and sustainable environment friendly solutions. With our in-house production of LED grow lights and equipments related to sustainable projects. Nizine is committed in offering the best quality support to all our valuable clients across the globe. The name NIZINE stands for NEW INNOVATIVE DESIGN.

ROI AQUAPONICS

4-5 YEARS

Aquaponics is a sustainable project and the result is not short term. With an investment in the greenhouse and farming equipments considering the resource cost its usually 4-5 years. But with our expertise in studying and correcting the system case to case we can bring down the ROI period by efficiently handling the processes to 3 years.

TRAINING & DEVELOPMENT

Considering the size of the project Nizine will offer you full support in training and developing your resources to fully understand and manage the daily operations of the aquaponics system.

Moreover we at Nizine offer you turnkey support:

- Design
- Production
- Installation & Commissioning
- Training
- After Sales Support
- Monitoring & Troubleshooting
- Branding & Marketing strategies
- Online B2B and B2C sales support in your region
