ABOUT NIZINE

With over 15 years of experience in offering turnkey interior LED lights and energy saving solutions, Nizine has a strong foothold in UAE, covering customers all over the MENA region and beyond as well. We have a vast array of services including design, manufacture and supply of Interior fit outs, awnings, fabric architecture and exhibition stands. Design services include - engineering product design, packaging design, interior design, exhibition stand design, kiosk design and design of LED lighting products for indoor, outdoor, underwater and industrial applications. Moreover we cover new business setup services covering all related marketing and PR services.

With years of experience in project management, we believe in providing innovative products and smart technology services to our valuable customers. Being well equipped with a strong supply chain and subcontract manufacturing facilities globally, we work along with our reliable international partners to provide quality services to our valuable clients within their budget and support on time.

We have a huge clientele portfolio including RTA - Dubai Taxi, EMAAR, Al Ghurair Group, Tasheel, Al Ansari Group, Al Futtaim Group, Sheraton Hotel, Rotana Hotel, Kempinski Hotel, Commercial Bank of Dubai, Thumbay Group of Hospitals, Saudi German Hospital and counting.

We are an ISO 9001:2008 certified company, ensuring our commitment to quality and customer satisfaction as well as continuously improving our quality of products and services.

Our franchise setup currently covers Kingdom of Bahrain with Al Zayani Group and we are in the pipeline to setup Nizine franchise all across GCC and globally.

Nizine, we are a registered brand in the UK | Dubai | Singapore | Hong Kong, we aim to be the leading suppliers of LED lights, solar and innovative energy saving smart products globally.

DIALux

Lighting Design Service

At Nizine we offer lighting design service to ensure that you have the right lighting for the right task. We'll help you with a scheme that will bring out the key features of your residential space, commercial space, gardens, architectural facades etc. and make your space come to life.

Our lighting design team are here to help you develop a customised lighting plan that's on-trend and on budget, calculated using Dialux and our unique collection of light fittings.

STRETCH CEILING

Create ceilings of almost any shape and form, even 3D and freestanding structures with Stretched Ceiling Technology.

Print your own high quality images on stretch ceiling membrane. Air gap between main ceiling and stretched ceiling creates an additional heat and sound insulation and gives you great acoustical effects and heat insulation.

A wide range of color pallets and textures with translucent and reflective membranes provides creative possibilities for many effects for an illuminated ceiling.

PARTNERS

GENTOS[®]

GENTOS, Tokyo, Japan, which provides Li-ion rechargeable high durability LED flash lights, head lights, work lights, flood lights and lanterns. GENTOS's LED lights are suitable for construction site, car maintenance workshop, fire department, outdoor camping and of course daily life. The GENTOS brand are designed to improve the quality of life. In addition, the GENTOS brand won numerous design awards such as IF Design Award, Reddot Award.

LED JOB & TOOL LIGHTS

LOW ENERGY LIGHTING

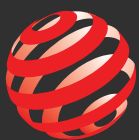

LED Job Light is compact and lightweight with an extremely tough polycarbonate casing. This work light utilizes the latest bright LEDs. Making it perfect for use in all working environments.

- ✓ **Easy to use**
With a LED lifespan of up to 50 000 hours
- ✓ **Uses the latest powerful LEDs**
Generates 100 lumens per Watt
- ✓ **Weatherproof**
With IP65 rating
- ✓ **5700k colour temprature**
Gives wide, even spread of light
- ✓ **Epistar LED array**
Mono switch brightness control

Soraa of Fremont, CA, USA and its GaN-on-GaN (gallium nitride on gallium nitride) technology, which provides an alternative to halogen MR16 lamps has partnered as a supplier for Ni-Led. Soraa's LED lamps are suitable for high-end retail, jewellers, art galleries, museums and the hospitality industry. For spotlighting over products, the firm's 95-CRI (colour render index) GaN-on-GaN technology is said to show a true representation of colors with crisp shadows and detail.

Soraa also won numerous awards such as Reddot Award, Lux Awards and FX International Interior Design Awards.

Fully equipped production facility with latest machinery for production, assembly, testing and packing.

Based on advanced and sophisticated technology, the different machines installed at our unit are capable of achieving our target production with full accuracy and quality.

At our manufacturing unit, we make sure that the lighting system and lights developed by us offer maximum advantage to the clients.

We also ensure that all the machines are operated under the surveillance of expert technocrats and are regularly oiled to make sure that the production process remains hindrance free.

We give our thanks and warmest appreciation to His Highness Sheikh Khalifa Bin Zayed Al Nahyan President of UAE and His Highness Sheikh Mohammed Bin Rashid Al Maktoum, Vice President, Prime Minister and Ruler of Dubai for all the efforts they have done for the progress and prosperity of United Arab Emirates.

QUALITY POLICY

Nizine General Trading L.L.C. is committed to providing superior quality energy saving, innovative green products and services that meet applicable regulatory, statutory and customer requirements by adhering to a quality management system that benefits our customers, employees and shareholders to meet our commitment, we must :

- ▶ Value our customers through open communication, timely responses and continual improvement.
- ▶ Appreciate and foster an environment of trust, integrity, challenge and reward that attracts and retains the best employees in all positions throughout the company.
- ▶ Leverage efficient technology applied to all business processes in order to maintain a competitive advantage.
- ▶ Understand that our ultimate purpose is customer satisfaction.
- ▶ Ensure that our Quality Management System serves our customers' needs.
- ▶ To empower all staff to understand the key characteristics of each and every new product before serial production commences.
